OPENING DAY AT KOOYONGA

Good numbers, good weather, great course and the usual excellent Kooyonga dinner. The dinner was highlighted by beautiful "Festival City" Serafino wines!!!

Charles Whish wine maker at the McLaren Vale winery gave us an insightful run down on the four excellent examples of their portfolio; around me the "shiraz" gained most plaudits.

We were privileged to have the McCarthy family among our Day Sponsor honoured guests. To our wonderful sponsors and members present, what a beautiful example to see the results of your efforts and help, in raising funds on Charity Day. To Mathias and his family our thoughts and best wishes are with them for their forth coming journey.

Our Day Sponsor National Foods looked after us on course and with the trophies, results as below. Their cheeses with the coffee after dinner were outstanding.

National Foods Farmers Union provide us with a wonderful trophy over our Kooyonga rounds. First round leaders Steve Uppington & Peter Cameron 38 points are off to a flying start.

PARS

- Russell Eley playing with our major sponsor Bank SA eagled the 18th to walk in with the T.A.B. nearest the pin 2nd shot. A great effort; Russell secured the visitors 2nd prize.
- Tea Tree Gully members had an outstanding day, Steve Uppington, Peter Cameron, Rod Hyde & Russell Eley all securing trophies.
- Talking of Tea Tree Gully, please keep Monday May 10th free. For the first time in over twenty years we are visiting their excellent layout, and we would like a big attendance if possible.
Tea Tree Gully President Steve Uppington through Curtin Food Service has been a wonderful sponsor over many years so it would be really good to support him as he will be the day sponsor. If required overnight accommodation is available at Peter Hewitt & Kevin Beswick's Blue Gums Hotel. Phone 82571588.
- Charity day is fast approaching, still looking for teams & sponsors. We especially need helpers on Sunday 28th February from 9am for an hour or two for the set up. A couple of extra hands will really help.

- Good to see Captain Cliff back from wrist & shoulder injuries, and in form, winning "A" grade. Well done Cliff!!
- Congratulations to member Roger Drake on his order of Australia (A.M.). Well deserved Roger, now take a bit more time off for golf!!
- Looking for a couple of sponsors for nearest the pin & 30 plus prizes, contact the secretary for more information.

CAPTAINS COMMENT

Welcome to the 2010 season of the Liquor Industry Golf Club.

To those present at our opening day at Kooyonga on Monday 18th January, I think you will agree that it was a fantastic day and also a very rewarding and fulfilling one.

Rob GILLIES, Chairman of our Charity Day Committee was present to introduce 4 year old Mathias who we have assisted with a donation of \$10,000 towards cutting edge eye surgery in California. A beautiful little boy with a great attitude and spirit. Our thoughts are with him and his family in their quest to regain his sight.

I implore you to make the effort to get out to our future golf days and remember, guests are always welcome. We hope to vary our schedule and hope to incorporate some changes, eg. Gourmet BBQ and a game at Tea Tree Gully Golf Club. Peter O'Sh and I had the opportunity to visit the Club last week at the invite of their President Steve UPPINGTON (Long time member and sponsor of our Club), and found it to be in great condition. Let's all support this initiative and play a different course for a change. More information as it gets closer.

Finally, Happy New Year to all and good golfing.

Cliff Boydon
Captain.

1. Mattias, Lydia & John McCarthy with LIGC Charity chairman Rob Gillies and Club Captain Cliff.

2. Matt Cooper from sponsor, National Foods, with Visitor Winner Rod Hyde, Operations manager, Tee Tree Gully Golf Club

3. SA TAB CEO Grant Harrison presenting Bank SA's Russell Eley his eagle prize! Clever golfer!!

Trust meyou wont see this one coming.....

A Mexican woodpecker and a Canadian woodpecker were in Mexico arguing about which country had the toughest trees. The Mexican woodpecker claimed Mexico had a tree that no woodpecker could peck.

The Canadian woodpecker accepted his challenge and promptly pecked a hole in the tree with no problem. The Mexican woodpecker was amazed.

The Canadian woodpecker then challenged the Mexican woodpecker to peck a tree in Canada that was absolutely 'impeckable' (a term frequently used by woodpeckers). The Mexican woodpecker expressed confidence that he could do it and accepted the challenge.

The two of them flew to Canada where the Mexican woodpecker successfully pecked the so-called 'impeckable' tree almost without breaking a sweat.

Both woodpeckers were now terribly confused. How is it that the Canadian woodpecker was able to peck the Mexican tree, and the Mexican woodpecker was able to peck the Canadian tree, yet neither was able to peck the tree in their own country?

After much woodpecker pondering, they both came to the same conclusion:

Apparently, Tiger Woods was right, when he said, "your pecker gets harder when you're away from home."
