JUNE 2010

NEWSLETTER

Sadness surrounding the celebration of the life of Joe Budin impacted on our Golf Day at Royal Adelaide on Monday 7th June.

However the good weather excellent golf course and the support of sponsors "Coopers" and "Geoff Merrill Wines" combined to give us a wonderful experience, for the big field.

Once again links course was the winner on the day with scores of the leading players being "solid" rather than outstanding.

The Royal Adelaide catering staff supplied an excellent meal combined with the Geoff Merrill wines, really rounded off another good day.

Peter James spoke on behalf of his partner Geoff Merrill (who was suffering from tooth troubles and a hangover from his overseas trip) introduced us to his company's wonderful wines. Glenn Cooper made his customary articulate speech on the superiority of beer over wine and "Coopers" in particular!!

Once again thanks to both for a wonderful day.

I am sure Joe would have thoroughly enjoyed it had he been there.

We will miss you Joe!
