TANUNDA PINES

Sunday, 25TH September 2011

A wonderful trip to the Barossa at Tanunda Pines, last Sunday was enhanced by the outstanding efforts of Chris Greening and his Yalumba helpers.

The only members who missed out were those large numbers who did not attend. I know that all those who were there, want to make sure this trip is on the calendar for next year.

Some really good news, ex Captain Cliff Boydon, is through his heart operation and all went well. We all hope that this is the tide turning Cliff, and you will soon be back with your old zest for life! In the meantime, from those of us going to Western Australia for the Johnnie Walker, thank you for the

wonderful job you have done with the shirts. I know the sponsors will be thrilled when they see them. Also thank you to Matt Kirk of Drummond Golf for his efforts in supplying same.

Speaking of Johnnie Walker, at this stage our club has 42 going. A wonderful effort! Still room in the draw if you are quick.

STOP PRESS

Great News! Cliff Boydon is home from hospital & doing well!!

RESULTS
