The Liquor Industry Charity Golf Day (LICGD) has been operating since 1952. Many children's charities have received dividends from profits raised at these events. A total of over \$1.5million has been distributed to these charities over the past years. Each year fund-raising reaches new record highs, as we strive to collect more proceeds for Charity. The committee, who are all volunteers from the Hotel industry—both publicans and suppliers—plan and organise all activity on the day.
